

## Product Information Sheet

**Name:** **Vileda Microfiber 100% Recycled Cloth**

**Composition:** 100 % Polyester (Recycled Polyester certified according to GRS (Global Recycling Standard). Grade: Post-Consumer Polyester)

**Description:** 100% recycled Microfiber Household Cloth ideal for damp or dry cleaning for most common surfaces.

**Application:** The microfibers remove dirt effortlessly, even grease and small crumbs are no problem for the cloth. You can use it with detergent, but it also ensures sparkling cleanliness with just water.

**Properties:** High cleaning performance, durable, soft touch, easy to wring and rinse, lint free, washable up to 60 °C. Wash with similar colors. Rinse before first use. Do not use softeners. Washing at lower temperature can prolong the life of the cloth and help to protect the environment.

**Storage:** Cool and dry, avoid exposure to direct sunlight.

**Disposal:** Waste disposal according to current local regulations.
