LETTER OF GUARANTEE

3103 Document Bag Verse

According to Regulation (EC) No. 1907/2006, concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH);

We certify,

The materials used for the manufacturing of above-mentioned item meet with the European restrictions for lead, cadmium, phthalates and azo-dyes according to regulation expressed above. This affirmation is supported by the test report SZ2023070419-1E, issued by STQ Testing Services Co., Ltd., on July 24, 2023.

MKTO Catal Importaciones demands to their suppliers that every material used in the manufacturing of these items must meet the requirements of substances of very high concern (SVHC), according to the Regulation (EC) No. 1907/2006, concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

And to formalize the corresponding effects, we hereby sign,

Mkto Catal Importaciones S.L. – Technical Area
