Name: Vileda 2in1 Broom Natural Refill

Composition:

Broom body	90 %	Recycled Polypropylene (r-PP)
	5 %	Thermoplastic elastomer (TPE)
	5 %	Steel wire
Bristles	100 %	Recycled polyethylene terephthalate (r-PET)

Description: Broom made of recycled material with two different bristle types for indoor sweeping.

Properties: Environmentally friendly broom specially designed for cleaning delicate surfaces in an ecological and sustainable way. The body is made of 90% recycled PP and the fibers are made of 100% recycled PET. Universal thread fits to most common handles. The 2in1 Naturals broom is equipped with 2in1 technology: the black, feathery and very dense fibers, are unbeatable against dirt and fine dust; The non-feathered, lower density green fibers effectively capture hair and dander and are easy to clean after use.

Storage: Cool and dry. Avoid exposure to direct sunlight.

Disposal: Waste disposal according to current local regulations.
