Adress UK	KSD Fort Dunlop Fort Parkway Birmingham B24 9FD United Kingdom
Image	 A photograph of a light-colored wooden Christmas tree frame. The frame is shaped like a traditional Christmas tree with a pointed top and a base. Inside the frame, a network of thin, dark wires is visible, with numerous small, warm-white LED lights attached to them. The lights are arranged in a way that they would illuminate the interior of the tree frame. The background is a dark, solid color.
Type	Lighting>Objects>Indoor>Battery operated
