#GAME 6

What's Their Name?

WHAT'S THEIR NAME?

OBJECT OF THE GAME

To be the first to guess the identity of the mystery face on your opponent's card.

BEFORE YOU PLAY

Before you play for the first time, look at some of the differences between the faces on your board: noses, hats, spectacles, hair, beards, moustaches and many other details are all different on each character.

SET UP

1. Each choose a board.
2. Make sure you can see each card's face and name on one side of your board.
3. Shuffle the deck of cards.
4. Each pick a card without letting your opponent see it.
5. Place your card into your board's front slot. Your opponent should not be able to see your card (See figure 1).
6. Put the remaining card deck face down to one side.

PLAYING THE GAME

1. Take turns to ask one question each. The youngest player goes first.
2. On your turn, ask a question that can be answered "yes" or "no".
For example: "Do you have blue eyes?"

- * If the answer is "yes", then all the people with blue eyes can be eliminated from your board.
- * If the answer is "no", then all the people with blue eyes can be eliminated.

3. To eliminate a card, just push it all the way down so you can only see the name at the bottom.
4. Keep taking turns to ask questions until someone thinks they have guessed the identity on their opponent's card.

MAKING A GUESS

You cannot guess straight after asking a question – you must wait until your next turn.

- * If your guess is wrong, you lose the game!
- * If your guess is right, you win the game!

WINNING THE GAME

The first to win 3 games is the champion!

PLAYING AGAIN

1. Return your cards to the deck and reshuffle.
2. Push down any remaining cards left on your board.
3. Turn over the board.

STORAGE

1. Put the deck of cards into the blue board's holder.
2. Place the red board on top of the blue board and clip together.
