

Product Information Sheet

Name: Vileda Pet Pro Brush

Composition:

Bristles	52 %	Thermoplastic elastomers
Handle	48 %	Polypropylene

Description: Electrostatic brush to remove pet hair from soft surfaces.

Properties: The electrostatic effect of the soft rubber bristles attracts and collects pet hair from all soft surfaces in the house. After use, you can simply rinse the brush under the tap and reuse it. The ergonomically shaped handle allows for comfortable handling throughout. The uniquely shaped brush head and the side bristles easily reach hard-to-reach areas of your furniture.

Storage: Cool and dry. Avoid exposure to direct sunlight.

Disposal: Waste disposal according to current local regulations.
