**Description:** Replacement cover for ironing boards

**Properties:** Vileda Perfect Fit ironing board cover can be used for all standard ironing boards with a length of 114 to 122 cm and a width of 34 to 42 cm. The ironing board cover consists of two layers. The foam padding, which lies directly on the ironing surface, ensures that the cover stays in place perfectly. The foam also prevents the structure of the ironing surface from leaving marks on the laundry when ironing. The iron glides smoothly on the upper cotton/molton layer. Thanks to the innovative QuickFIX system, the cover can be pulled onto the ironing board without effort.

**Storage:** Cool and dry, avoid exposure to direct sunlight.

**Disposal:** Waste disposal according to current local regulations.
