

Product Information Sheet

Name: Vileda Super+ Garden 150l Bin Bag

Composition: 100 % Polyethylene

Description: Garbage bag with capacity of 150 l. Suitable for use in the garden, to handle larger amounts of waste.

Properties: The plastic bag is made of 30% recycled material. Ultra-resistant and durable thanks to its triple layer. The bottom of the bag is specially designed to prevent dirt from leaking onto the floor.

Storage: Cool and dry, avoid exposure to direct sunlight.

Disposal: Waste disposal according to current local regulations.
