

Product Information Sheet

Name:	Vileda Super+ 50l Bin Bag
Composition:	100 % Polyethylene
Description:	Garbage bag with capacity of 50l. Suitable for use in the kitchen, office or garden to handle larger amounts of waste.
Properties:	The plastic bag is made of 40% recycled material. Ultra-resistant and durable thanks to its triple layer. The bottom of the bag is specially designed to prevent dirt from leaking onto the floor. Thanks to the extendable closing device, the bag can be closed without getting your hands dirty.
Storage:	Cool and dry, avoid exposure to direct sunlight.
Disposal:	Waste disposal according to current local regulations.
