

## Product Information Sheet

**Name:** **Vileda 3Action Broom with handle**

**Composition:**

Broom head	95 %	Polypropylene
	5 %	Thermoplastic Elastomer
Bristles	100 %	Recycled Polyethylene Terephthalate (r-PET)
Handle		Plastic coated steel; Polypropylene

**Description:** Indoor broom with unique combination of three different bristle types for indoor sweeping.

**Properties:** The Vileda 3Action broom has special bristles which are aligned in a certain pattern in the broom head which maximizes the amount of dirt and dust that can be cleared in one sweep: Barriers of ultra-thin bristles for fine dust collection, rectangular tufts and normal fibers for hair and particle pick-up and angular and harder bristles for improved cleaning into corners

**Storage:** Cool and dry, avoid exposure to direct sunlight.

**Disposal:** Waste disposal according to current local regulations.
