

Product Information Sheet

Name: Pet Pro Always Clean Broom

Composition: Broom head 53 % Acrylonitrile Butadiene Styrene (ABS)
47 % Thermoplastic Elastomer (TPE)

Handle Plastic coated steel; Polypropylene

Description: The Pet Pro Always Clean broom is specifically developed for pet owners and can be used on all types of floors including carpets.

Properties: The TPE rubber bristles collect dirt and attract pet hairs. They are easy to clean simply by rinsing under running water. Thanks to the broom shape and slanted bristles, corners are easy to reach and clean

Storage: Cool and dry, avoid exposure to direct sunlight.

Disposal: Waste disposal according to current local regulations.
