**Technical data - Données techniques
Dati tecnici - Datos técnicos**

Type of disconnection and device Type de déconnexion et appareil Tipo di disconnessione ed apparecchio Tipo de desconexión y aparato	1B/electromechanical 1B/électromécanique 1B/elettromeccanico 1B/electromecánico
Installation Installation Installazione Instalación	Independent - fixed wall mount Indépendant - fixé en saillie Indipendente - fisso a parete Independiente - fijo da pared
Differential - Différentiel de température Differenziale - Diferencial	$\Delta t = 0.8 \pm 0.2 \text{ }^{\circ}\text{K}$
Thermal gradient - Gradient de température Gradiente termico - Gradiente térmico	1 $^{\circ}\text{K}/15 \text{ min}$
Pollution - Pollution Polluzione - Polución	Normal - Normale
Insulation class - Classe d'isolement Classe d'isolamento - Tipo de aislamiento	Classe II ☐
CE reference standards Normes de référence pour marquage CE Norme di riferimento per marcatura CE Normativa de referencia segun CE	LVD EN 60730-1 EN 60730-2-9 EMC EN 55014
